Photographic Consent Form

Dear Parent/Carer,

Throughout the school year, there may be times where we would like to use photographic and/or video recordings of our pupils for various reasons. These may include keeping a record of a pupil's educational progress, recording of school concerts or assemblies as well as being used on social media (e.g. school website, Twitter) to celebrate achievements and/or to report on an educational visit or sporting event.

To comply with The General Data Protection Regulations, we are seeking consent from parents/carers of pupils for them to be photographed, recorded **or** have their name used in connection with a school event.

Completed consent forms will be recorded by the school with **consent lasting the duration of your child's time at Llantrisant Primary School** unless otherwise notified by a parent/carer. This consent can be withdrawn at any time by contacting the school.

Please can all parents/carers complete and return this form to school as soon as possible. Your co-operation in this important matter is much appreciated.

Many thanks,

Lisa Davies
Head Teacher
