Head Boy and Head Girl

I would like to congratulate Harrison Chennells and Megan Woodland, who have been voted as this year's Head Boy and Girl. I know how pleased and excited they are to have been elected. I am sure they will be excellent role models for the rest of the school.

I would also like to thank Zara Charlesworth, Sheri Markey and Cillian Lynch who put themselves forward and gave very confident and mature presentations and have been elected as school prefects. Congratulations

Space Dome Experience

On Wednesday, the children in Reception through to year 6 spent the day learning about Space and The Environment in a mobile planetarium. The Foundation Phase children enjoyed exploring the solar system, hearing stories about the sun and the moon whilst also learning how to recognise different constellations.

The children in KS2 thoroughly enjoyed learning about habitats around the world and how animals have had to evolve over time to adapt to their environments. They also learnt about climate change and the impact this is having on the world.

Please look at our class pages for more information and pictures and videos of our day.

Covid Guidelines for September

Please can I appeal to everyone to be vigilant with regards to Covid symptoms. These include:

- **A new continuous cough**
- **A high temperature**
- **Loss of /change to sense of smell/test**

If your child experiences any of these symptoms, however mild, please book a PCR test for them and ensure they isolate until the results are back. If the result is negative, they may return to school.

Extra Curricular

Just a reminder that RCT Music Service are now offering music lessons for a variety of instruments. Please see our website further information including costs.

Afon Dance has resumed for KS2 learners on a Wednesday, after school. Please contact the office if you wish for your child to join. Unfortunately, there was not enough interest from Foundation Phase pupils for Mini Movers to resume this term. We will send out a flyer before the end of the Autumn term to gauge interest for the new year.

Transition Applications

All parents of pupils in the Nursery and Year 6 need to apply for places in either Reception or Year 7 in preparation for the next academic year. Letters have been emailed to parents explaining how to apply for places in Reception and Secondary school. It is especially important for Year 6 pupils that these forms are completed by the deadline.

Deadline for:

- **Nursery & Reception applications is 12th November**
- **Secondary School (Yr. 7) is 15th October.**
