Health & Safety

I would like to thank you all for continuing to keep our school community safe by maintaining the 2 metre distance when bringing your children to school in the mornings and wearing masks when coming onto the school site.

A few reminders of our new rules:

- ◆ School starts promptly at 9am with gates open between 8.50—9am. All mainstream pupils should be in school by 9am.
- ◆ One way system in operation. Please use the path to come down into school and use the driveway to leave the premises. No vehicles should be accessing the school site during the drop off and pick up times.
- ◆ Please help to prevent congestion by leaving the premises promptly and not congregating on the driveway or yard.
- ◆ If anyone in your family is displaying symptoms of Covid 19, please keep your children at home until a negative test result has been received.
- ◆ Please telephone or email the school if you wish to speak to a member of staff.
- ◆ If your child is self-isolating, they can access general work on the class pages of our website or weekly planning on their Hwb page.

Class Newsletter

Each class has prepared a short newsletter providing you with an overview of some of the lovely activities that have been completed this half term. There is also information regarding the whole school homework activity to be completed over the half term. We are asking all pupils to complete a 'One Page Profile'. We ask that parents also contribute to the profile to give staff a fuller understanding of how they can best support the pupils in their class. This work can be found on the shared page of Just 2 Easy (J2e) on Hwb.
