Support Ukraine

On Monday 4th April, we will be providing the opportunity for pupils, if they wish, to support the children in Ukraine, and have a non school uniform day. The children may wear blue and yellow and next week they will be coming home with a small plant pot. Un Llais would like families to put loose change in the plant pots and bring them to school on the 4th April. Any monies raised will go towards the Ukrainian appeal. On this day, pupils will be planting a sunflower seed in their plant pots as a mark of respect.

Comic Relief

Many thanks for supporting the Comic Relief day. We have currently raised £50 with some donations still coming in.

Easter Activities

To celebrate Easter, we will be holding an Easter Bonnet parade for Foundation Pupils (nursery– year 2) on Friday 8th April. We encourage all pupils in the FP to decorate a hat and we will provide an Easter gift for winners in each class. We would like KS2 to decorate a hard boiled egg—the theme is ‘Easter’ and bring them to school on Friday 8th April. Again, we will be providing a small gift for the most original designs!

Term Dates

Tuesday, 1st Mar— Friday, 8th April
(Easter Holidays: 11th—22nd April)
Tuesday, 26th April—Friday, 27th May
(Half term: 30th May— 3rd June)

Parent Consultation Appointments

The spring term parent consultations will be via telephone appointments. These will be 10 minutes long and will be an opportunity to discuss your child’s progress.

During the summer term, we are hoping to hold a STEM afternoon where parents will be able to visit their children’s classes and during this time pupil books will be available in the hall for parents to view. More details will follow after Easter.

Poetry Competition Winner

We would like to extend a huge congratulations to Elinor in Dosbarth Melyn who was successful in winning the RCT “Poetry for the Planet Challenge” in a bid to highlight Climate Change. She won a £20 gift voucher for herself and £150 for the school! Her poem is shortly to be turned into an animation to raise awareness of climate change across RCT. Congratulations Elinor— a fantastic result!
