Weekly Newsletter

Welcome Back!

A warm welcome back to Llantrisant Primary School at the start of the new academic year. I also extend a special welcome to our new pupils in the Nursery and their families and our new pupils in Reception and Year 3. I hope you have had a chance to relax and spend quality time together over the holidays. The children are settling very well into their new classes and we look forward to a busy, but fun-filled term.

I would like to continue to encourage all our parents and guardians to get involved in the life of the school, for example, attending events, helping out with the PTA and taking a keen interest in the topics your children are studying. Each class has its own page on our school website which they frequently update with information, pictures and homework tasks. I would encourage you to keep checking these pages regularly.

Attached to this newsletter are several letters asking for your consent, for example, photographic and agreeing to share data with external agencies etc. We are proud of our status as a Platinum ECO School and try to be as paperless as possible. In so doing, we attempt to communicate with yourselves via text and through our school website and therefore need an up-to-date contact number for yourselves. Under new GDPR guidelines, you are required to provide consent by signing the attached forms. I would appreciate you help in returning these forms as soon as possible, whether you choose to opt in or out, so that our Admin staff can update our systems for the academic year.

I look forward to working alongside you and your children as we continue to be 'Happy to be Learning' together.

Kind regards,
Lisa Davies
Head teacher
