Fri 30th June	PTA Summer Fete

Attendance for the Spring Term

Overall Attendance: **90.66%**

School Target: **94%**

Winning Class — Dosbarth Glas with 93.38%

Crowns and Capes Day

On Thursday, 4th May, we will be celebrating the coronation of King Charles III, by holding a non-uniform Crowns and Capes Day! In each class, there will be a small prize (donated by the PTA) awarded for the most creative crowns and capes worn by the children. During the day, the children will be participating in activities celebrating this historic event.

Christmas Card Recycling Competition

Many thanks to everybody who sent in their Christmas cards for recycling. We were awarded 2nd place in the RCT Recycling Competition. The judging was based on the weight of the recycling in relation to the number of pupils in the school. We are currently participating in the Easter Recycling Competition and this is being judged next week. If you have any Easter Egg cartons left at home, please send them in!

Healthy Eating in School

One of the targets that Un Llais is working towards this year is building on our approach to healthy eating and drinking in school.

We are very proud of the work that Un Llais has already undertaken to achieve the second leaf of the Healthy Schools Scheme. However, during their research, it has become apparent that since we have returned from Covid lockdown, there are a minority of pupils who are bringing in drinks which are not permitted under the Healthy Eating in Schools statutory guidance along with our school's Healthy Eating policy. This guidance states that schools should permit only water during lesson times because it promotes hydration, has no calories, quenches thirst and does not damage teeth. Drinking water is beneficial for our health and diet, and is full of nutrients that help hydrate us, helping our brain and body get ready for learning. If you would like to read more information about this guidance, then please see the following links:

UN LLAIS SUMMER 2023

We did it!!

We successfully renewed our PLATINUM ECO FLAG for the third year running.

Un Llais spent time with Julie from 'Keep Wales

Tidy' talking about how we are promoting healthy lifestyles and recycling as much as we can.

This term Un Llais also spoke to Simon our cleaner and after participating in a bin survey we have made sure everyone has the correct recycling bins in their areas.

Thank you to everyone who helped us recycle as many Christmas cards as possible.

We came 2nd place in the RCT "Recycling competition"

Things To Remember!

- ❖ Don't forget to support the local foodbanks when you can
- ❖ Remember we are a healthy school; if you are bringing a snack, please bring a piece of fruit.
- ❖ Only see water in our water bottles.
- ❖ If you can walk to school rather than use a car that's a great way to help reduce our carbon footprint!
- ❖ Keep an eye on Twitter and our Un Llais notice board which will kept up to date with our plans and ideas!
