The following message is on behalf of RCT Council:

Coronavirus is continuing to spread throughout Wales. Public Health Wales have now confirmed 34 people have died in Wales as a result of the virus and the number of confirmed cases in Wales continues to grow by the day.

The social distancing advice is there for a reason, it is absolutely imperative that we all personally take the responsibility to minimise the contact we have with one another to slow the spread of the virus. We must all work together and help the NHS which will come under huge strain in the coming weeks.

If your children are not in the Emergency Childcare settings please keep them safe at home, this extends to the evenings and weekends. We all have to do this for the safety of them, our family, friends and neighbours, the message is to **STAY AT HOME** as much as possible.
