The Mad Science team are, once again, hoping to hold an after school club here on a Wednesday evening. This will be available for pupils in Years 1– Year 6. Please look out for flyers coming home this week with details of costs and how to apply online. Please note that the workshop dates and closing date have been changed and can be confirmed online. Also the company are offering a 15% sibling discount when booking two or more children onto the workshops.

Year 6 Debating

On Wednesday, some of our Year 6 children took part in a debating session at Betws Primary School. Our team were proposing the motion that children should have the right to exercise daily. I would like to congratulate the children on their excellent oracy skills and confidence at speaking in public. Mrs Prewett praised their efforts and she added that they put up some very good arguments and spoke very well. Da iawn pawb!

Un Llais Recycling Initiative

This term, Un Llais are hoping to raise funds by recycling some of our old and well loved clothes, shoes, soft toys etc. with Dragon Recycling. Bags are being sent home with children this week for any items you wish to donate. Could all donations please be brought into school on Tuesday, 22nd January, ready for collection the following day. A reminder that we are still collecting your old Christmas cards as part of a recycling competition, which is due to be judged at the end of January 2019.

Notification of Absence

A reminder that any absences must be reported to the school office by 9am each day that your child is absent. May I also please remind you that a reason must be provided as 'not well' or 'poorly' will be queried when our attendance figures are monitored. Many thanks for your understanding.
