

Llantrisant Community Council have arranged their annual lantern parade for Wednesday, December 7<sup>th</sup> to coincide with the lighting of the Christmas tree on the Bullring.

I have received details from the organisers today for anyone who wishes to attend. The children in Dosbarth Glas have made lanterns and are encouraged to bring them along. Please be assured that this is not a school organised event and there will be no staff present. All of the details are below if you wish to attend.

Many thanks

Mrs N Prewett

- Those joining in the lantern parade are meeting from 7.15pm in the Church Hall, where warmth and refreshments are on offer - no later than 7.30pm when we set off.
- Bring your own lantern if you can (although there will be some spare). Remember there is a free lantern making workshop outside Model House on Saturday 3rd Dec, from 11am to 3pm.
- Don't use real candles - LED / battery operated tea lights or fairy lights only.
- Children of all ages need to be accompanied by their parent or guardian
- It's only a short walk which should be finished within 5 or 10 minutes
- Will be cold so wrap up warm
- Santa will be there, the Christmas lights will be switched on and we'll all sing Christmas carols around the tree.
- Llantrisant Ladies Choir will be leading the parade and we everyone will be invited to sing 'This Little Light of Mine' as we approach the Bullring, through George Street.
