

# Six or nine?

- 1 Draw circles around the multiples of 6.  
 Draw triangles around the multiples of 9.  
 Which numbers have a circle and a triangle?

Remember the digits of any multiple of 9 add to a number in the x9 table!

# Grid multiplication

- 2 Draw lines to join the multiplications with the same product.

|                                      |                                       |                                      |
|--------------------------------------|---------------------------------------|--------------------------------------|
| $60 \times 3 =$ <input type="text"/> | $60 \times 4 =$ <input type="text"/>  | $40 \times 6 =$ <input type="text"/> |
| $30 \times 4 =$ <input type="text"/> | $15 \times 8 =$ <input type="text"/>  | $40 \times 5 =$ <input type="text"/> |
| $30 \times 6 =$ <input type="text"/> | $20 \times 10 =$ <input type="text"/> |                                      |

Complete the grid multiplications.

|   |   |    |   |   |                      |
|---|---|----|---|---|----------------------|
| 3 | x | 40 | 6 | = | <input type="text"/> |
|   | 6 |    |   |   |                      |

|   |   |    |   |   |                      |
|---|---|----|---|---|----------------------|
| 4 | x | 30 | 4 | = | <input type="text"/> |
|   | 9 |    |   |   |                      |
