Wed 25th Mar	World Maths Day
Fri 27th March	Last day of term

### What's On

This half term has flown by and there are still more events happening before the end of term.

Thursday 5th is our Valentine's disco. Doors open at 5:00pm and it is £2 entry. We ask that all children from Dosbarth Coch and Oren are accompanied by an adult and the older children must have an adult to collect them at the end of the evening. Card machines will be available on the evening so the PTA are accepting cash or card.

We will be celebrating Dydd Miwsig Cymru on Thursday 12th February. Criw Cymraeg are asking all pupils to come to school in non-uniform and wear red, white or green to celebrate this day.

A reminder that **Friday 13th is an INSET day** for all pupils. School returns after half term on Monday 23rd February.

We have a new After school provision at the school. **Clwb Chwarae Llantrisant** will be operating from 3:30—5:30, 4 evenings a week. Please contact Miss Long on dojo if you have any questions or you can follow the link if you would like to sign up your child for after school club.

### INSET DAYS 2025-2026

#### Spring Term

Friday 13th February 2026

**Monday 13th April 2026**

#### Summer Term

Monday 20th July 2026

### Spring Term

This term our project work is underpinned by science and technology with the overarching theme of 'Thriving and Surviving'. Every class has produced an overview of their project which has been shared on class pages. Each class will be taking an element of this theme and will be investigating topics such as, healthy body, healthy mind, the importance of hand washing, the human body, cause and effect, farm to fork, sustainability, survival of the fittest and adaptations. As always, we are really interested in any parents who work in this field that would be willing to come into school to share information about their job role.
