 Dosbarth Porffor — Jack Murphy

Da iawn
pawb!

PTA

PTA update: The Summer Fair raised £726 and refreshments at both sports days raised £161! Many thanks to everyone who volunteered at these events, as all money raised goes towards additional resources for the pupils at the school.

Summer Trips

End of year trips took place yesterday and the Early Years pupils really enjoyed the soft play and the new petting zoo at Jazzy Jungle. The rest of the school visited @Bristol and had a fantastic time exploring all the different activities they had to offer.

International French Day

Last Friday was a busy day at the school. The governors spent a very enjoyable but busy day at the school, visiting classes, looking at books and speaking to pupils. The children enjoyed all the French based activities that the teachers had organised as part of our 'International Day'. I would like to say 'MERCI BEAUCOUP!' to Anne Edwards, who taught French to the children in Dosbarth Gwyrdd.

Wet Playtime

A quick reminder that during wet mornings, the doors round the KS2 entrance will be open from 8.50am. Dosbarth Oren should enter as normal through the Nursery entrance. All other pupils should use the KS2 door.

Royal Mint Visit

We were very excited this week because we were fortunate to be invited to attend a workshop at the Royal Mint. Year 5/6 designed their own coins which were made into badges and we were introduced to a very important visitor— **Prince Charles!** The children behaved impeccably and His Royal Highness spent time talking to the children about the badges they had made and asking questions about our school. I was very proud of the school and the children.

Move Up, Meet The Teacher Evening!

Next Wednesday evening we will be providing the opportunity for you to meet with your child's class teacher for September. We will be running information sessions at 3.45 - 4.15 or 4.45-5.15pm.

Attendance

The winners of Smokey the Dragon, last week, were Dosbarth Porffor and Melyn with 100%. The school's overall attendance was 97.08%. The school's target is 95.8%.
