### Year 6 Leavers

I would like to congratulate the Year 6 children on their leavers assembly. We have had many wonderful and emotional leavers assemblies over the years and this was no exception. As anticipated we had lots of tears and I would like to wish all our leavers the best of luck in their new schools and if they continue to show the hard work and dedication they have shown here at Llantrisant, they are sure to do well. Hwyl fawr a phob lwc pawb.

I would also like to thank the PTA for treating the leavers for afternoon tea at the Polka Dot Teapot . It was a lovely way to end the term.

## End of Term Reflection

We've reached the end of another academic year. I am so proud of Llantrisant Primary School and the achievements of our pupils. We are really proud of our 'Green School' status which is a brilliant reflection of the high standards we constantly strive for, both academically and socially. Our pupils are a credit to yourselves as well as to the school and we pride ourselves on our friendly and welcoming ethos.

For some, this is the end of the first year of an exciting journey at the beginning of their education and for others it is an end of one chapter, ready to begin a new phase in Secondary school. Whatever age your child, you can be very proud of their achievements, because they have all been excellent.

Here are some of this year's achievements at Llantrisant Primary:

- \* Awarded the First Leaf of the Healthy Schools Charter
- \* The school has continued to work with Arts practitioners through the 'Lead Creative School' scheme. We have successfully worked with an artist to produce a mosaic reflecting the history of Llantrisant. We hope to display this prominently on the front of the building for all to admire.
- \* The Un Llais Committee continues to have a prominent voice in the school and the initiatives that they have brought in, such as 'Mile a Day', supporting new ventures with the 'Lend with Care' account and raising money for a variety of charities have been very successful. It has been great to see the pupils making such responsible decisions.

I would like to thank many groups of people for making our school such a success.

One huge reason is the commitment of the **staff** to the pupils and school. The kind and caring ethos is always commented upon by visitors when they come to our school. Both teachers and support staff are equally committed to ensuring the success of all the pupils at Llantrisant Primary and I wish all staff a very enjoyable summer. We look forward to welcoming Miss Williams to the team and wish Mrs Cushion and Mrs Spear all the best in their new venture.

I would also like to thank the **Governors** for all their hard work and challenge to the school.

Governors are not rewarded for the time and energy that they put into the role and we are very fortunate that they are so committed and supportive of our school. Last Friday, the Governors spent the day at the school during the Governors in Action Day, where they evaluated the progress of objectives, looked at books and thoroughly enjoyed listening to learners talking about their work.

A huge thank you to all of our **parents**. It is with your continued support of both the school activities, PTA events and your support of your children's education at home that ensures that we continue to make an impact on your child's education. I would also like to thank our parent helpers who give up their time to support classes and of course I wish to offer a huge thanks to the PTA for the time and energy that they give to ensuring that as a school we are able to provide additional resources for the children.

Finally, I wish you all a very safe, enjoyable and restful holiday and look forward to welcoming the pupils back on **Wednesday, 5th September**.

Kind regards,

*Lisa Davies*
