A warm welcome back to Llantrisant Primary School for the start of a new academic year. I hope you all had a happy and relaxing break.

The children are settling very well into their new classes and the routines and we look forward to a busy, but fun-filled term.

New Play Equipment

We have been very busy over the summer holidays having new play equipment installed in the school grounds. The children have been very excited about this and have enjoyed using it this week and are becoming familiar with the rules for using the equipment safely.

Can I ask you to help us keep your children safe and **not use** the equipment, before , or after, school.

The Daily Mile

One of our new initiatives this year is to walk, jog or run for 15 minutes at least 3 times a week.

The aim of The Daily Mile is simple – to help all children improve their physical, emotional and social health and wellbeing by doing at least 15 minutes of physical activity at least 3 times a week. It supports the rights of children to have a healthy and happy childhood. The children will walk, jog or run with their classmates in the safety of our playground. Everyone has fun taking part- it is not P.E. and it is not competitive- while building relationships, confidence and resilience. The children do not need any special kit, all we ask is that their school footwear is suitable for active play. If you would like to read more about this initiative, please go to www.thedailymile.co.uk

Transition Letters

Nursery and Year 6 pupils will receive letters this week from RCT admissions, about applying for Reception and Secondary school. It is especially important for Year 6 pupils that these forms are completed by the deadline.

Dinner Money

School dinners are £2.40 per day, £12.00 per week. Please ensure dinners are paid for on the Monday prior to meals being taken. Payment can also be made via cash, cheque or online. Further information is available in the office, if you wish to pay online.

Consent Forms

You should have received letters for you to give permission for your child to take part in activities such as short walks around the community and photograph and video consent. This consent is important as it allows the filming of school concerts and performances and also allows us to share daily activities on the school website. We also run a highly efficient ‘Text to Parent’ service which requires a mobile number. Please make every effort to return the letters as soon as possible.

Musical Instruments/CAVMS

Cardiff and Vale Music Service (CAVMS) offer private music lessons, during school hours, on a variety of instruments for pupils in Key Stage 2—Violin, guitar, piano, brass and woodwind. If your child is interested in learning an instrument, please contact the school office or send in a letter for more information.

Holidays

May I remind parents that holidays during term time are discouraged. Any requests must be made via a form available from the office and cannot be authorised if your child’s attendance is below 95%. We are also unable to authorise more than 10 days absence.
