

# Roll a Dice Game – Rhyming Words 4

Roll the dice. Think of a word that rhymes with the one listed under the number shown on the dice. Write down the words that you think of in the grid below. (They do not have to be spelt the same, but **must** rhyme!) Earn one point for every word listed. Earn another point per word if you used clearly formed letters. Earn 6 bonus points if you can read each of the words you have written (i.e. one point per column).
